ATTENTION ALL SHAMBAUGH'S: Get out your road maps and plan your trip to the Community Park at Jewett, Ohio on Sept. 3, for the National Shambaugh Societies Reunion. Those of you traveling over route #30 (Lincoln Highway) to Canton, Ohio, take #43 to Garroliton, then #9 direct to the Park in Jewett. From Scio, take #151 to Jewett. A basket dinner will be served promptly at 12 o'clock noon E. S. T. in a large building where all can be seated and enjoy visiting with there kinsfolk. A short program is on the list too. Swings, etc. for the children. Jewett lies in the midst of interesting places, such as the home of Gen. Custer, and his monument at New Rumley. Cadiz claims the birthplace of Clark Gable. Scio has a very famous pottery, and the beautiful Tappan Dam is not far away. Those from a distance coming for overnight, shall please drop a line to Mrs John Shawver, R 2 Scio, Ohio. Let's all try to be there this year if at all possible.

Mrs E. L. True, 921 Maple Ave. N. W., New Philadelphia, Ohio
On Dec. 22, 1949 I went to Florida with a cousin, wife and son, and visited our daughter and son-in-law Florence Marie and Fred Butler in Jacksonville, she had just moved into their own new brick bungalow out in the new addition to Jacksonville, Peach Drive. Florence and Fred came up home at Easter and spent a week with us. It was a very pretty trip over route 21 through the mountains. We arrived home on January 5.
Our third daughter, Cora June, was married to Albert Menapace on May 28, 1950 in the First M. E. Church with a simple double ring ceremony. They live here in New Philadelphia. She is a Cosmetics Clerk in the H. and A. Drug Store, and he is trucker. We had such a nice surprise when Mr and Mrs Albert Albrect and three lovely daughters from Sumner, Iowa drove into our home Tuesday noon June 6, and visited with us for a day. She is a daughter of Dave Laughridge. They were on the way to New Jersey to visit friends. Her brother Roy met with an accident in May, the tractor upset on him, breaking a leg and pelvic bone, also crushed his hip and was taken to a hospital. He lives near Minot, N. D. on the farm where his father formerly lived.

Madge Shambaugh Mundis, Alexandria, La.
I enjoy the News-Letter, but know so few of the people. Lois's mother and my mother were first cousins, and her father and my father were first cousins, so Lois and I were doubly related. Mrs Ott English of Scio and Mrs Chas. Minard are my first cousins too. The Minard's live in Canton, Ohio
I would love to attend the reunion at Jewett, as I have visited there, and at Scio and Rumley numbers of times. My grandfather's home was near Rumley on the road from Scio to Jewett.

Mr. Gay Shambaugh, 1407 McFarland Ave. Rossville, Ga.

Floyd and Zada Shambaugh, with Floyd Jr. and Miss Dorothy Murphy of Wooster, O. and little Betty Shambaugh, Russell's little girl spent some time with us recently, some of us went up on Lookout Mountain and Lookout Mountain Cavern, also had a picnic supper one night up on Chickamauga Lake. We surely enjoyed their visit.

They left here going to Muscle Shoals, Ala. and then over into Arkansas and Missouri, and back through Illinois.

Two of my daughters, Marcia and Mary Alice with her children, and myself spent several days with my sister Cleo, in the Great Smoky Mountains at Gatlinburg, over the Fourth of July holidays, and enjoyed it very much.

Some of us, and Cleo are coming to the reunion at Jewett.
